

BACK TO SCHOOL MADE EASY

As kids go back to school, get expertise from Dr. Timothy Feyma, a pediatric neurologist at Gillette Children's Specialty Healthcare, from the comfort of your own home.

Get resources in this free webinar on Tuesday, September 1 from 6:00—7:30 p.m. Dr. Feyma will answer questions and share ideas to help kids with epilepsy start the school year off with success! After registering, you will receive a confirmation email with information about joining the webinar. Contact apike@efmn.org with questions.
