

2016 SESSION START-UP EVENT

Constructing Our Future

Despite ongoing construction at the Capitol, critical decisions affecting Minnesotans with disabilities, their families, and those who support them will be made at the Capitol this year. **Attend MN-CCD's 2016 Session Start-Up to ensure that you have a part in constructing the future of Minnesota's disability community.**

COMMUNITY PARTNERS EXHIBIT

Visit exhibit booths before and after the program to learn what is happening in the disability community and find helpful resources. Exhibitors will include Best Life Alliance, MA Reform Campaign, and more.

LEGISLATIVE PRIORITIES

Leaders from the MN-CCD will share the organization's policy priorities for the upcoming legislative session. Members from the community will also be given time to preview what their organizations will be focusing on in 2016.

#MnAbilityMatters

This session we are excited to continue #MnAbilityMatters- a social media campaign to share stories about what matters to the disability community with policymakers. During the Start-Up Event we will capture your stories and photos to feature on MN-CCD's Twitter and Facebook pages.
